**DSI's Dynamic Card Solutions Named One of the Fastest Growing Technology Companies in Deloitte's Colorado Technology Fast 50 Program**

*Attributes its growing relationship with financial institutions across the nation to its substantial revenue growth*

Englewood, Colo.—(October 10, 2005)—Dynamic Solutions International's Dynamic Card Solutions (DCS), has been named to Deloitte's prestigious Technology Fast 50 Program for Colorado, a ranking of the 50 fastest growing technology companies in the state by Deloitte & Touche USA LLP, one of the nation's leading professional services organizations. Rankings are based on the percentage revenue growth over five years from 2000–2004.

DSI's CEO Steve Suttman credits an innovative enterprise-wide solution and first class customer service with the company's revenue growth from 2000–2004. He said, "Dynamic Card Solutions is clearly driving the aggressive trend toward the instant issue of financial cards. Increased revenue for the card issuer and enhanced customer service for the card holder creates a compelling case for instant issue, as an issuer I want my card in your hand the minute you open the account, not a week later."

To qualify for the Technology Fast 50, companies must have had operating revenues of at least \$50,000 in 2000 and \$1,000,000 in 2004, be headquartered in North America, and be a "technology company," defined as a company that owns proprietary technology that contributes to a significant portion of the company's operating revenues; or devotes a significant proportion of revenues to the research and development of technology. Using other companies' technology in a unique way does not qualify.

"To rank on Deloitte's Colorado Technology Fast 50, companies must have phenomenal revenue growth over five years. DSI's Dynamic Card Solutions has proven to be one of the fast-growth success stories in Colorado, and we applaud their dedication to making their vision reality," said Steve Yaroch, Technology, Media and Telecommunications Lead Partner for Deloitte & Touche LLP in Denver

Winners of the 15 regional Technology Fast 50 programs in the United States and Canada are automatically entered in Deloitte's Technology Fast 500 program, which ranks North America's top 500 fastest growing technology companies.
