**DYNAMIC CARD SOLUTIONS SELECTS SISTEK, INC. TO EXCLUSIVELY
DISTRIBUTE PRODUCTS IN PUERTO RICO**

*Sistek to provide full sales, installation, service and support for CardWizard
throughout the growing Caribbean market*

Englewood, Colo.— (Dec. 18, 2006) — Dynamic Card Solutions (DCS), developer of CardWizard®, the leading instant issue and PIN selection software application for financial institutions, today announced that its' hardware and software will be distributed exclusively throughout Puerto Rico and the Caribbean by Puerto Rico-based, Sistek, Inc.

Leading financial institutions in Puerto Rico, such as Banco Popular, Doral Bank and Western Bank, have already chosen CardWizard to instantly issue debit, credit and ATM cards at the branch level. Sistek will exclusively support these existing customers while bringing DCS' technology to other financial institutions throughout Puerto Rico and growing the market for instant issuance throughout the Caribbean.

Sistek was selected in large part because of the company's technical savvy and business acumen. The partnership will provide DCS a local point of presence on the sales side, as well as hardware and software installation, service and support.

"Sistek is a wonderful partner for us. This is a highly capable company with great integrity. They are dedicated, hardworking and they know our products inside and out," said Ron Zanotti, vice president of sales and marketing for DCS. "We look forward to exclusively working with them and to seeing the market for instant issuance in Puerto Rico and the Caribbean continue to grow."

Robert Castillo, vice president at Sistek, added that CardWizard is the only instant issuance technology they would consider representing in their market. "With CardWizard, we can assure our customers that they are receiving the most reliable and easy-to-use instant issuance system available. When industry-leading financial institutions like Banco Popular, Doral Bank and Western Bank select CardWizard, you know it's the best. Additionally, DCS is very easy to work with and they give this partnership full support."

About Dynamic Card Solutions

Founded in 1996 and a wholly owned subsidiary of Dynamic Solutions International, Dynamic Card Solutions is an innovative developer of instant

issuance and PIN selection solutions for banks, credit unions and retailers. Dynamic Card Solutions is the leading instant issuance provider for Visa® and MasterCard® debit cards in the United States. The company offers fully integrated solutions that allow financial institutions and retailers to quickly and securely issue ATM, debit and credit cards instantly at branch or store locations. Issuing cards instantly increases customer service, card sales and revenue, and eliminates current card issuance costs. Dynamic Card Solutions' system includes a user-friendly administration component that does full reporting, card inventory and more. All solutions utilize DES encryption and are compliant with recommended security procedures for instant issuance. For additional information, call 1-800-641-5215, or visit the Dynamic Card Solutions Web site at www.instantissuance.com.
